Our bacon is aged cured on site and our fantastic sausages are made in house by our butchers. We use Havensfield free range eggs from Eye and pick up our mushrooms weekly from Flordon. Everyone talks about our ham being The best, and that's because it is as it's done to perfection on site. Let us also inform you that everything from our sausage rolls, pies, quiches and loads more are made by our experienced staff so please speak to us and we will tell you where to go to the butchers, our deli and shop floor to find what ever it is your looking for... at Goodies we are here to deliver and also bring service with a smile.
